specification sheet

Grouping: Cold Drinks

Sub Group: Water Coolers

AA1100 POU Coolers

Not only does the Point-of-Use Water Cooler allow for total cost control, but there's no time consuming handling of heavy bottles, no valuable storage space lost and no chance of running out of water !

Connected directly into the mains water supply, the water is passed through an advanced in-line filtration process* that removes organic chemicals, tastes and odours, leaving only crystal clear fresh tasting water.

With it's stylish design and "hands-free" dispense function, the 1100 series fits beautifully into any environment.

The full range consists of:

WCPC 1100 - Plumbed, floor standing, ambient & cold.

WCPH 1100 - Plumbed floor standing hot & cold.

WCPTC 1100 - Plumbed table-top, ambient & cold.

WCPTH 1100 - Plumbed table-top, hot & cold.

- footprint: Floor standing -
1015mm h x 340mm w x 335mm d.
- footprint: Table-top -
550mm h x 340mm w x 335mm d.
