specification sheet

Grouping: Cold Drinks

Sub Group: Cans/Bottles

Ice-Break

The Ice Break is a perfect partner to hot drinks machines. It's available for either slave or stand-alone use and it's compact half-height design perfectly accommodates the users choice of hot drinks machine on top. A fabulous hot & cold refreshment station.

Incredibly simple to operate, the user simply pushes the can of their choice, which is then delivered Ice-Cold at waist height.

- 5 selections - 135 total capacity machine.
- high visibility, clear display windows.
- fully electronically controlled refrigeration system.
- interfaces perfectly with a large choice of compatible hot drinks machines.
- slave or stand-alone capability.
- footprint: 960mm h x 780mm w x 740mm d.
