## Coffetek Vitale S Instant

The Vitale S Instant has a very compact footprint but packs a lot of useful features for its size. It has a stylish black finish and is built around proven reliable technology. Using four canisters it offers a wide selection of your favourite barista style drinks made with instant coffee. The seven selection push button menu is responsive and easy to use. Its versatile tank fed water supply means you can use it without the need to connect it to the mains, but the tank fed model can easily be converted to mains supply at a later date if needed. There are lots of options such as base cabinet with or without payment validators, side pod validators, cup dispensers and condiment trays.

- Up to 60 drinks an hour
- Tank fill or mains fed
- Easy to use push button menu
- The drinks menu includes Espresso, Americano, Cappuccino, Café Latte, Chocolate, Cafe Mocha and hot water for tea
- Modular construction for very easy maintenance
- Optional coin validators in side pod or base cabinet allows for cash payment
- Optional MDB compatible payment mechanism allows you to pay by cash, cashless cards or keys
- Footprint 590mm (h) x 305mm (w) x 410mm (d)
