Fresh milk

**Drinka**

The Drinka all in one solution provides you with an unprecedented choice of drinks from one simple to use machine. Utilising touch screen technology the Drinka makes choosing your beverage easy, it can even remember your favourite drinks selection for later.

Choose from an amazing selection of up to 40 hot and cold drinks options, still and sparkling chilled water, freshly ground bean-to-cup coffees made using real milk, refreshing cola's, still or sparkling orange, raspberry and much more all dispensed in a wide selection of cup and jug sizes to suit every need.

Uniquely the Drinka gives you the freedom to choose regular or skinny milk and how you sweeten your drink; using either regular sugar or low calorie sweetener made with from natural ingredients that does not contain aspartame.

- Barista quality bean to cup with fresh milk
- Chilled still and sparkling varieties available are Cola, Orange, Peach blush, Apple, Lemon and an Energy drink
- In-built filters and electromagnetic water softening removes scale deposits for a higher quality drink
- Flash cooling technology only chills water when a drink selection is actually made
- Cup sensor allows filling of cups and jugs
- Simple on screen touch menu-driven programming and robust design means the Drinka is easy to set up and maintain
- Measure trends and monitor performance using built in WIFI and telemetry technology
- Footprint 1670mm (h) x 475mm (w) x 874mm (d)
- Weight 230Kg
