N&W Korinto Prime

Korinto Prime – all you could wish for: Compact, easy to use and extraordinarily versatile, the Korinto Prime has it all. A result of more than forty years of Italian manufacturing experience, the Korinto Prime is a super-automatic hot beverage dispenser, the highest quality components and sturdy materials allow it to support heavy workloads. In addition, its' advanced technology, exceptional performance and fabulous drink quality, means you're guaranteed outstanding results, consistently.

The refined design and particularly the new user friendly interface make the Korinto Prime ideal for any environment, particularly meeting rooms, conferences, hotels, restaurants, etc. Special versions have been developed for bars and coffee shops, due to its ability to dispense two cups of coffee at the same time. It's easy to operate & maintain.
