Table Top

Genesis

With its large ingredient and cup capacity the Genesis has been designed to provide delicious, thirst quenching hot drinks around the clock. The machines offer a full range of instant, freshbrew and bean to cup drinks and provide the perfect solution for offices, conference facilities, restaurants and cafeterias, anywhere in fact where a high quality beverage needs to be served quickly and efficiently. So, select your favourite from the menu, push the button, and enjoy the experience!

Now you can savour the aroma and full flavour of coffee brewed from the bean, enjoy a long smooth freshly brewed filter coffee, or relax with a delicious freshly brewed tea, all from the same machine....the Genesis B2C!

The intuitive, user-friendly, build-a-drink keypad ensures it's simple and easy to use.

- Large 230 cup capacity.
- SureVend™ guaranteed product delivery system.
- Choice of plastic or paper cups.
