## Product Sub-Group

Floor standing

## Coffetek Step

The stylish looking Step is beautifully finished in smoked glass and offers a wide selection of barista quality drinks from its easy to use touch button menu. The large 19 inch HD media screen can display video images at programmable intervals or instructions for use when a drink is dispensed. To further enhance the wide variety of drinks already on offer, add the optional syrup unit, it adds two different flavoured shots to the hot beverages. The STEP comes with superb environmental credentials with 90% of the materials used in its construction being recyclable at the end of its life. It's packed with clever technology such as an energy management system can learn usage patterns and power down when it's not in use. The STEP can even send a text if it develops a fault allowing for fast engineering response and less down time. The Step is capable of serving 7oz, 9oz and 12oz drinks with multiple combinations including instant, fresh leaf tea and espresso based bean to cup drinks.
