Can & Bottle

Bev Max 4 Classic

With 5 trays and up to 9 channels each, the capacity to handle most shapes and sizes of bottles or cans, the Bev Max 4 Classic delivers a great range of products to capture impulse sales. With two model sizes, the narrow 35 selection or the larger 45 selection, it's ideal for any business looking to provide a cold drinks service. The large brightly lit glass fronted window (using low energy l.e.d. lighting) offers an outstanding refreshment presentation. The product trays are adjustable and free of harnesses, solenoids and motors ensuring reliable operation. It has been fitted with a delivery sensor, detecting hesitant or unsuccessful product vend and in the event this should occur, a full money refund is available, ensuring complete consumer satisfaction. The self-contained highly energy efficient modular refrigeration deck has improved performance and can easily be removed from either the front or back of the machine. With class leading reliability, Bev Max 4 Classic boasts a fault rate of just 1 in 39,000 vends.
