Coffetek Vitale S Espresso

The Vitale S Espresso has a very compact footprint but packs a lot of useful features for its size. It has a stylish black finish and is built around proven reliable technology. Using three canisters it offers a wide selection of your favourite barista style drinks made with freshly ground beans. The seven selection push button menu is responsive and easy to use. Its versatile tank fed water supply means you can use it without the need to connect it to the mains, but the tank fed model can easily be converted to mains supply at a later date if needed. There are lots of options such as base cabinets with or without payment validators, side pod validators, cup dispensers and condiment trays.

- Up to 30 drinks an hour
