Can & Bottle

Samba Top Can & Bottle

The award winning and compact Samba Top cold drinks is an ideal choice for a busy retail space. The Samba Top has sound environmental credentials with its newly designed cooler, programmable energy save mode and LED lighting. The SAMBA's low energy consumption gets a superb A+ 'EVA' energy rating. Bottles or cans are delivered by an elevator and soft cradle to the dispense bin, making carbonated drinks less likely to fizz when opened. A product detection system has sensors that detects when a product has been successfully dispensed. If no product is delivered, the customer can make another selection or have the payment returned. A modern easy to use push button menu offers plenty of choices from a variety of bottles or cans.

- Product Selections 16 bottles & 24 can
- Capacity 240 on 3 bottle & 2 can trays
- Up to three payments systems can be used at same time including cashless card & mobile phone
- Product detection when vended to ensure guaranteed product delivery when purchased
- Bespoke graphics available to special order
- Footprint 1830mm (h) x 890mm (w) x 860mm (d)
- Weight 280Kg
