So-Pure Platinum Espresso

When looking to supply a busy retail site with a machine that can be relied upon, one with style and ability, the So-Pure Platinum Espresso tops of our list of contenders. All your favourite coffee shop drinks delivered at the touch of a button. Style comes courtesy of its beautifully crafted glass front and colourfully lit dispense area. But that's not all, the So-Pure Platinum Espresso boasts a high quality stainless steel brewer and a Swiss engineered grinding system, enough ability to power any busy venue. If needed an optional instant canister can provide a decaffeinated option. You will love how easy it is to maintain the Platinum Espresso using its automatic cleaning program. With standalone tank fill or mains water supply you can place it anywhere, add an optional base cabinet for neat and tidy storage capacity.
