Canto Touch Coffee Tower

Our bespoke coffee towers have everything you need to offer the ultimate consumer beverage experience. Clients have the option to create their own brand and add a personal touch without compromising quality or from a choice of our major brand partners such as Kimbo and Nestle. The 21.5 inch HD touch-screen has large easy to use menu icons, once you make your selection you can personalize your beverage to just the way you like it. The menu system also allows you to discover allergen and nutritional facts for each beverage. You can enhance the wide variety of barista quality drinks already on offer by adding the optional syrup unit with a choice of two different flavoured shots to the beverages. Using the optional internet connection the coffee tower can run live RSS multimedia feeds and content. Available in 12oz instant with fresh brew tea or Espresso bean to cup model with fresh brew tea.
