Concerto

A combination of design and performance.

With its dimensions optimizing space in small to medium locations, the Concerto offers an ideal freestanding beverage solution. A reduction in size doesn't mean limited choice either: the elegant Concerto delivers a large selection of quality hot and cold options to suit every taste. These units notably feature Z4000 espresso and double espresso technology alongside sturdy Italian craftsmanship ensuring the Concerto a role as a benchmark product within the vending industry for some years to come.
