Product Sub-Group

Double Espresso

Opera Touch

An irresistible attraction for the Vending world.

Using the latest electronic technology, mechanical layout and maximum simplicity the Opera Touch offers the best user experience. The Opera features a 13.3" full HD screen that dramatically widens the drink offer and the information available for the consumer. Designed to provide simplicity of management for operators, thanks to the innovative electronics - successfully used on the 9100 and Kalea models.
