Orchestra

Orchestra is the new 8 spiral machine with incredible performances that is designed for the most demanding of locations. Among the many innovations, the transparent, modular and reconfigurable VisioShop trays and the high levels of energy efficiency. Orchestra has an elegant design. Black anodized aluminium cabinet features an interface area in black metal with diamond frame, which houses a wide colour graphic display together with a capacitive numeric keyboard or a touch screen selection panel. Orchestra has all the assets required to establish itself as the new benchmark among vending machines for the most demanding locations.
