## Borg & Overström E7

Luxurious and sustainable water dispensing, the E7 integrates the latest in energy-efficient, eco-friendly and hygiene-conscious technology. Poised above a unique Corian® top, with integrated drip tray and antimicrobial touch panel, the E7 embodies eloquence. Featuring future-thinking SIMSecure connectivity and our unique SensorBeam™ touchless technology, the E7 delivers freshly-filtered chilled, ambient, sparkling and hot water with effortless elegance.

Custom built to order by hand, the E7 offers a refined tap-style dispense system. Illuminated SensorBeam projection control provides a futuristic and hygienic touchless dispense experience, whilst our unique ProCore® system delivers energy efficient, powerful performance with advanced energy-saving EcoMode. The E7 is a quietly understated and effortlessly luxurious free-standing water dispenser for discerning environments.
